The National Park Authority's (NPA) Countryside & Economy Team can provide technical advice and support to individuals and businesses who are responsible for management of land within the Peak District National Park. The Countryside & Economy Team can be contacted on:

tel: 01629 816270

fax: 01629 810194

email: [farming@peakdistrict.gov.uk](mailto:farming@peakdistrict.gov.uk)

If you are interested in receiving advice, please complete the details on the attached form and a Countryside & Economy Adviser will contact you to discuss your proposals.

This form should be used for enquiries regarding Natural England's Environmental Stewardship Scheme (Entry Level / Higher Level), the Forestry Commission's All England Woodland Grant Scheme and the Peak District NPA's Environmental Enhancement Scheme (EES). Consent for NE's ESA Conservation Plan notification can also be applied for using this form.

If you are applying for an **ESA Conservation Plan Notification** which involves traditional building alterations rather than repairs (e.g. to size of openings, different materials to be used from existing or major rebuilding) the work will require **General Permitted Development Order (GPDO) consent**. You should contact the Authority's Planning Service (Tel: 01629 816200) and request a **Prior Notification Form**.

**Will my details be made public?**

To meet our obligations under the Data Protection Act 1998 we need to explain how we will handle any information you give us.

Because the provision of the advisory service involves expenditure of public money, there is public interest in how the money is spent. Therefore the NPA may, in certain circumstances, make information about your request for advice, notification, application or agreement publicly available for this purpose. We may also need to disclose details about your application and agreement to other organisations or individuals for administration, evaluation or monitoring purposes.

Details disclosed may include your name, the name of your farm or business, grid references, the total area under agreement, any payment you may receive, the location of fields and details of the environmental features and management options they contain. Such information may be released upon request under the Environmental Information Regulations 2004 or the Freedom of Information Act 2000.

Once you have completed the form please return it, together with any maps, to:
